

## REMINDER!

Immunizations required for **all** two year old children attending **child care/nursery/preschool**:

- **4 or more** doses of DTaP vaccine;
- **3 or more** doses of polio vaccine;
- **1** dose of MMR vaccine;
- **1 to 4** doses of Hib vaccine;
- **3** doses of hepatitis B vaccine; and
- **1** dose of varicella vaccine or a physician-certified reliable history of chickenpox disease.

Several vaccines are **recommended** (not required) for all two year old children attending child care/nursery/preschool. In addition to required vaccines, the survey asks that you report on the following recommended vaccines:

- **4 or more** doses of Pneumococcal Conjugate vaccine (PCV7 or PCV13);
- **2** doses of hepatitis A vaccine;
- **3** doses of rotavirus vaccine; and
- **At least one** dose of flu vaccine received between July 2013 and June 2014.

Use the Certificate of Immunization, provided by MDPH to make it easier to keep track of your students' immunizations.

### **Did You Remember to:**

- ☐ **Record** all children **2 years of age and older** entering child care/preschool on your worksheet?
- ☐ **Complete** and **Submit** the online Child Care/Nursery/Preschool *Immunization Survey*?
- ☐ **Print** a copy of the survey for future use?
- ☐ **Keep** the *Child Care/Preschool Immunization Survey Worksheet* and *Staff Immunity to Measles, Mumps and Rubella Worksheet* to help facilitate with follow-up of under-immunized children and staff?
